Good afternoon,

I've decided to make this event to see if we can garner interest in a counter protest on the weekend.

I was hoping that as Huron church is closed, we could walk down to across the road of college and just be loud, let these clowns know that we've had enough and would like this to end.

I would also like to stress, that we would be a peaceful protest, please don't bring anything to throw, but signs and loud voices are welcome.

If we get enough interest, I'll start to manufacture a spreadsheet of when we have people, as I know we have lives to attend to thru the day, but as long as we have bodies I have no problem keeping this going.

Cheers,
